

CRAIG KELMAN & ASSOCIATES SCHOLARSHIP APPLICATION FORM

The Craig Kelman & Associates Scholarship is intended to provide financial assistance to a person aspiring to work in water and/or wastewater systems operation. The successful candidate must have achieved good grades in secondary [high] school, must have participated in volunteer activities in community organisations, and must intend to take formal education in a recognised operator training program as offered by NAIT, SAIT, SIAST, Red River College or other accredited post-secondary institution.

Craig Kelman & Associates is the publisher of Western Canada Water Magazine, the official magazine of WCW professionals across Western Canada [Alberta, Saskatchewan, Manitoba, Northwest Territories, and Nunavut].
